Cry your tears you quinoa-eating soyboy. You absolutely can get your license removed for driving too fast because it can move up to a reckless driving charge or other charges. And not everything is the same state-to-state.

Keep living small-minded in that small town of yours, smallbrain.

no prob. i think you were right to tell that guy not to bring his kid. regardless of what happens we are accusing a major national party of corruption, voter fraud, essentially treason. its incredibly ignorant to think they will just let us show up.

We need literally everyone there. Yes, there may be violence but not immediately and the day crowd will be lit. people need to stop pretending this is a confrontation in lexington. It may eventually be, but that will be much more specific and hours after the 11am protest rally.

Go to Seattle, kill a Fascist, steal their bike, ride to the town hall pretending to be said Fascist, take a cop car (don't worry they will give it to you). Get a bunch of Antifa fags to come with you and chip in for gas money. Pocket enough. Drop them off in the Midwest. Continue trip to DC.

Man needs to bum a ride from LA to D.C. Specifically needs someone who won't bring kids, and would welcome a "protector" on board. Has equipment and gear, and can't get it all on an aircraft, so specifically needs an RV. Listen dude, if you can't see how even WITH good intentions, you aren't *glowing in the fucking dark* then I'd like to remind you that this is a public forum, with a shit ton of people with bad intentions. BLM and Antifa patrol this, along with Fed Bois 24/7. The internet is still the internet. If your story is true, hope you can get to D.C. But in light of recent RV Events in America, you have to understand how this looks. If I was a glowboi, and needed to find people to hemm up, that's exactly how I would do it. Be safe, KAG

I guarantee, if someone is on the side of the interstate with a trump sign or something. They will have a ride in record time. From the amount of traffic I see, a lot of calipers are rolling

Hi fren, I hope you're able to get there...

But, in all seriousness, you cucked out on yourself. Your driver license is your responsibility. Your car is your responsibility. So, after all is said and done, it's time to work on getting your ducks in a row so that this doesn't happen "to you" again.
